

**APPLICATION FOR LEAD SERVICE LINE REPLACEMENT GRANT AND LOAN PROGRAM**

Sheboygan Water Utility will provide grants for 50% of total costs up to \$6,000 and 0% interest loans to fund the replacement of lead service lines (LSL) in the City of Sheboygan. If you will be contracting directly with a plumber for the LSL replacement from the SWU preferred plumbers list, not as part of a road construction project, please include a copy of at least two quotes/bids. Work must be completed within 60 days of the application approval date, and the final invoice must be submitted to Sheboygan Water Utility within 30 days of the work completion date. Grants are subject to availability of WDNR funding. If grants are temporarily unavailable, the Utility will provide updates on a timely basis. Completed applications should be returned to the Utility office or customerservice@sheboyganwater.org.
